Hi Helpdesk,

I had sent the below mail to you last year in Feb 27, 2011.

I was told by the Helpdesk on phone last year, that there is no such scheme as Sailendra had introduced me to and had enrolled me for run by the company.

I want to know what steps you have taken against such activities of Sailendera where he ripped me off.

I have seen similar cases of fraud on the internet by TRUST LINE.

Regards,

Pinki Roy

Hi,

1.I am having a debit balance of Rs 10953 DR.

I wanted to know at what percentage do you charge the interest until it is paid.

2.Last July I had asked Sailender Jain ,your employee, whom I have come to know through Orkut, what all Mutual Funds are good and good for investment.In July 2010 he had told me saying that we look after the clients accounts well and invest very protective way and protecting the client's money is very important and on top of that we earn a minimum of 3-5-10% profits per month.

I had invested Rs [4.55L](#).It was Sailender Jain who was looking after my account and trading on my behalf.

I believed him as before that he had given me some delivery based tips and they were really excellent.So this made me have faith in his capabilities, however when I invested Rs 4.55 L he started investing(Daytrading,futures trading, margin trading) so recklessly that he has reduced the capital from Rs4.55L to Rs 1.35L .On top of that he overtraded such that for the last couple of days I have been getting Debit balance messages.

3. He is also not contactable on his mobile phone , it is always switched off and earlier he was in invisible mod in yahoo messenger, he had told me when ever you ping me I will respond. Lately he has stopped responding to IM messages also.
He has given Shyam's mobile # to me so that I contact him in a roundabout fashion.

4. In view of my problem, I request you to assign a good, knowledgeable and a RM who has concern for the client to me so that I can take his help and get my accounts , damages assessed, please do it urgently as I am totally shocked by the series of events.

Regards,

Pinki Roy
