Hi Sailendra,

If you were honest in your dealings you would have responded to all my serious queries.

You along with the Helpdesk, RDCC and Amit Goel whose mail ids were provided to me for escalation have thought it best to keep silent and have turned a deaf ear were to my concerns regarding illegal traded that were carried out by you.

Your HelpDesh and RDCC said come and speak to us in the office....Why so that everything is at a verbal level for which there is no proof.

So Sailendra Jain now you know how much mental tension you have given me and how you have disturbed the peace of my mind. Because your intentions were bad you disappear f t best itrom your Yahoo Messenger and thought it best to remain in the invisible mode and later kept your mobiles switched off and later stopped responding to all my mail.

All of a sudden you responded that you had landed in Assam. Now you have no lies left and your team and all your escalation teams members provided by HelpDa esk are all covering you up.

So Saliendra can you give me the Contact details of the CEO, after all you told me lies and made me a client of TRUST LINE.

Regards,
Pinki Roy
